CHICAGO, Feb. 26, 2019 /PRNewswire-PRWeb/ -- Haute Design Network by Haute Residence welcomes Marshall Erb to its invitation-only interior design network. As a Haute Design partner, Erb exclusively represents the Interior Design market in Chicago, Illinois.

From an early age, Marshall had a gift for creating spaces people love. Since launching his firm in 1998, he has been able to turn his passion for design into a thriving business with a diverse list of satisfied local, national, and international clients. His attention to detail and easy-going nature let him take away much of the stress associated with most construction and design projects.

A graduate of the Illinois Institute of Technology in Chicago, Marshall brings an architect's eye to all his projects, literally working from the ground up to help realize his client's vision. From new construction to whole house renovation and remodeling, he is able to leverage the best of current technology and construction techniques while creating timeless designs that balance scale and proportion with function and comfort.

An expert in art, antiques, and textiles, Marshall creates carefully curated rooms that provide a perfect reflection of their owner's taste and lifestyle. His knowledge of architecture and design allow him to create custom furniture and mill work to fit any space or period.

Marshall's work has been featured in Traditional Home, Luxe, Chicago Tribune, CS Interiors, Décor, Renovation Style, and Sophisticated Living, among others. He has been lauded as a Top 10 Designer in Chicago by Decorilla and a Top Influencer by Fixr.com. Additionally, he has been named to Traditional Home's "20 Young Designers to Watch," the Merchandise Mart's "Ones to Watch" list, and the LUXE Gold List.
